[5.9] Zero Emission Vehicles (ZEV) Policy on Campus

Example of Zero Emission Vehicle Policy: Campus Cycling Life at (MNS-UAM)

Description:

MNS University of Agriculture campus is cyclist and pedestrian friendly. Vehicle-free paths are available for the users. There is a 30 Km speed limit on all internal roads, and cycle paths. All blocks have free cycle parking facility. The University promotes the use of cycles and walk on the foot with in the campus. Cycle races and physical activities are common events in the campus. Different schemes are run for staff as well as students encouraging cycling through a number of services, events and groups, and providing free bikes to students. To build strong environmental friendly partnership, the University faculty, students and staff encourage “cycling” for work.
