

MNS University of Agriculture, Multan

Date: October 16, 2025

Subject: MNSUAM Successfully Hosts Job Fair 2025 Connecting Graduates with Leading Employers

The Job Fair 2025 was successfully organized at MNS University of Agriculture, Multan (MNSUAM) in collaboration with the MOJAZ Foundation (Funded by UNDP) and the Career Development Center / Placement Bureau (CDC/PB). The event provided a dynamic platform for university graduates to engage directly with leading employers, explore job opportunities, and strengthen industry linkages.

The fair was inaugurated by Mian Bakhtawar Tanvir Sheikh, President of the Multan Chamber of Commerce and Industry, along with Prof. Dr. Asif Ali (T.I), Vice Chancellor, MNSUAM, and Prof. Dr. Kalsoom Pracha, Vice Chancellor, Women University Multan.

In his welcome address, Prof. Dr. Asif Ali commended the efforts of the organizers and partner organizations for successfully bringing together academia and industry. He emphasized that such initiatives are vital for preparing students to meet market demands and for fostering employability and entrepreneurship among youth.

Mian Bakhtawar Tanvir Sheikh lauded MOJAZ Foundation and MNSUAM for hosting an impactful event that served as a bridge between education and employment. He appreciated Pakistan's ongoing commitment to peace, social harmony, and equal opportunities for all communities. Mr. Mubadhir Mehdi encouraged students to pursue entrepreneurship and explore emerging sectors for professional growth.

Dr. Muhammad Ishtiaq, Focal Person, CDC/PB, highlighted that the Job Fair 2025 was organized under the UNDP-funded project "Promotion of Peace and Minority Rights" in partnership with MOJAZ Foundation. He acknowledged the overwhelming participation of both industries and students, calling it a major step toward youth empowerment and professional development.

Leading organizations from diverse sectors, including Evyol Group, Syngenta Pakistan, Suncrop, Topsun, Tara Group, Patron Group, Trigon, Green AgriMall, Volka Foods, Pepsi (Naubahar Bottling), Sparkosol, Habib Bank Ltd., Bank of Punjab, Khushhali Bank, Times Consultant, Maan Institute, Punjab Small Industries, Royal Mobiles & IT Solutions, and the Floriculture Stall (Horticulture Department), participated in the event.

The Job Fair resulted in strong engagement between graduates and employers. Several companies conducted on-the-spot interviews and shortlisting, while others collected resumes for their upcoming recruitment and internship programs. Educational and consultancy organizations also provided counseling sessions and announced future collaborations with MNSUAM for student development and training.

MNSUAM also recognized the active participation of its alumni from minority communities who are now serving in key professional roles, including Mr. Rumail Shahid (Agriculture Officer, Govt. of Punjab), Mr. Shaham Qadir (Agriculture Finance Officer, HBL), and Mr. Filpus, B.Sc. (Hons.) Agriculture graduate, who engaged with industry representatives for potential job opportunities.

A large number of students and graduates from MNSUAM, BZU Multan, Women University Multan, and other regional institutions attended the fair. Distinguished guests and faculty members, including Prof. Dr. Umar Farooq, Prof. Dr. M. Ashfaq, Prof. Dr. Nasir Nadeem, Prof. Dr. Salman Qadri, Dr. M. Shahbaz, Prof. Dr. Abdul Ghafar, Dr. Khalid Hameed (CEO, Tara Group), Rana Rafiq (NSM, Patron Group), Kashif Muneer (ZM, Green AgriMall), Dr. Asad Masood (Syngenta Pakistan), Abdul Majid (GM Marketing), and Rana Asif Hayat Tipu (CEO, Trigon), Mr. Wahid Bakhsh (Khushhali Bank), Ms Hira (HBL), Usman Shaukat (Bank of Punjab) also attended and interacted with participants.

The Job Fair 2025 concluded as a milestone event, promoting employment, entrepreneurship, and academia-industry collaboration. The Career Development Center / Placement Bureau, MNSUAM, expressed sincere gratitude to MOJAZ Foundation, UNDP, participating companies, and all stakeholders for their valuable contributions toward making the event a resounding success.
