#### Findings:

1. Please correct the convocation dates in records.
2. In most of the programmes meetings of the statutory bodies are not regular. Please make it possible as per university statute.
3. In some programmes the final defense dates of some students are missing.
4. In some programmes the degrees of faculty members are not verified by HEC.
5. In some programmes the minutes of meetings and notification are not updated.
6. In some programmes the notifications of thesis defense are missing.
7. In some programmes students admission test results are missing.

## Meeting with Students

Students are very satisfied with the education level however they felt some deficiencies which are as under:

1. Students needs more Computers for the research activities.
2. They want spacious and shaded area at café so they can sit and have their meal in a comfortable way.
3. More dust bins should be place in different places so students can use it and make the university atmosphere clean.
4. More water cooler should be installed to assess drinking water in a convenient way.

## Suggestions/ Recommendations

1. Allocation of supervisors should be ensured in the first semester.
2. Submission of coursework and synopsis should follow the timeline as per university statutes.
3. Regular meetings of Supervisory Committees of research students and documentation in the form of minutes of meetings should be maintained.
4. BOS meetings of some departments (SES) are not being held as per approved frequency.
5. BOF meetings less than frequency (FAES). Conduct of meetings as per approved frequency should be ensured.
6. Admission cancelation notification due to non-payment of dues/fee and/or submission of GS-10 should be issued well in time by the DGS office.
7. Steps may be taken towards digitalization of records to ensure facilitation in maintaining and retrieving the data.
8. Human resource may be provided to DGS Office to perform various activities/tasks and documentation in a better way.
9. Coordination between DGS and Treasurer Office may be ensured regarding exchange of fee submission records etc.
