Subject: Hiring of two students under studentship (on hourly basis) for lab work of PSF-NSFC Project

It is stated that two students are required on studentship to accomplish lab work under PSF project entitled “Genetic adaptability and water-fertilizer intelligent regulation mechanism of climate smart varieties”. The students should be enrolled in MSc Biotechnology and shall have knowledge of basic biotechnology techniques such as DNA extract, primer designing, PCR, RT-PCR, agarose gel electrophoresis etc. The applications, along with cover letter, CV, academic and experience certificates, must be submitted to the undersigned within seven days of the advertisement.

The eligibility criteria and TORs are given below;

Eligibility Criteria	TORs
i. Enrolled in MSc (Biotechnology)	1. Responsible for lab experiments
ii. Training of basic biotechnology techniques	2. Ensure lab SOPs
iii. Students will be hired per university policy	3. Maintenance of logbook and record of experiment
	4. Preparing report of the results
	5. Should not hold any scholarship/studentship in project.
