Dear Rana Muhammad Naeem,

Greetings from HBIIBE. Since we have established the Chinese Language Center, everything runs smoothly because of your strong support and effort. There are 68 registered students participating the online Chinese program this semester in 2022. I am sure there will be more and more students join in our program.

In order to enhance the cooperation between our two parties, we would like to have the technical skill training for our students in June. Our teachers will have the lectures about mass media. This will help our students learn the basic knowledge about animation create. Please share this info with your respected Vice Chancellor and we sincerely invite him to attend the opening ceremony.

Best regards.
