Result Announcement Graduate Research Day – 2024

The Graduate Resource Center has organized “Graduate Research Day – 2024” on 29-May-2024. MNSUAM postgraduate students participated in this scientific activity. Based on approved criteria, the posters were evaluated on the basis of contents, presentation and layout while the videos were evaluated on the basis of title + content, time duration, audio quality and speed of speech, graphics, visually appealing animation and clearly understandable message. The judges from MNS University of Agriculture, Multan, Bahauddin Zakariya University, Foreign Faculty/researchers and Industry persons evaluated the posters and videos. Among the participants, following students have attained 1st, 2nd, and 3rd positions in the categories of research based poster and video competition, separately. The details of the students/winners are given below.
