LETTER OF INVITATION

Dear Sir/Madam,

China and Pakistan's traditional friendship leads to more and more opportunities for collaboration and cooperation in Agriculture and many other areas. Agricultural disasters and animal diseases are major threats to the sustainable and healthy development of plantation and animal husbandry both in Pakistan and China. In order to exchange the successful practices and experiences in these regards, to strengthen technological innovation and utilization, and to promote bilateral collaborations, under the sponsorship of the Ministry of Foreign Affairs of China and the Ministry of Agriculture and Rural Affairs of China, the Administration and Management Institute (AMI) will organize a Seminar on Agricultural Disaster and Animal Diseases Prevention and Control for Pakistan. The training course includes crop diseases and insect pest prevention and control, plant protection, animal diseases prevention and control, agricultural technology extension system, technological innovation, breeding mode, etc. The seminar will be conducted online in English. Agricultural officials, Management, technicians, researchers and college students in agricultural/veterinary sectors are welcome to participate and to seek for future cooperation.

Regarding better service for all participants, we are grateful for your involvement in early time. Please fill the Application Form and send us by email to moachina@163.com before November 20. The organizers will send materials in time, such as zoom account and courseware to the participants' mailboxes.

Yours faithfully,

Zhu Shouyin

Vice President,

Administration and Management Institute (AMI),

Ministry of Agriculture and Rural Affairs, PRC
